

Is this Workshop for me?

Do you have clear short and long-term career **goals** and **aspirations**?

Do you have a **clear** notion of where you want to go in your career?

Do your **strengths** and **competencies** align to where you want to go in the future?

Do you have a strong network of trusted **advisors, mentors** and **sponsors** and/or need help making it strong?

Do you have a compelling, differentiated **elevator pitch**?

Do you have a personal **value proposition** and/or need some help building one?
